Living Word Bible Church Songs

G C G
We stand upon the Solid Rock
D G
The world may jeer and the heathen mock
C G
Jesus lifted us from the miry clay
D G
This is why we the redeemed can say.
C G
We are secure, secure, secure in Jesus
D G
For He has promised to never leave us
C G
When this old world becomes sinking sand
D G
We'll be safe and secure in the Saviour's hand.
